

2014 Major Thoroughfare & Freeway Plan Amendment Request

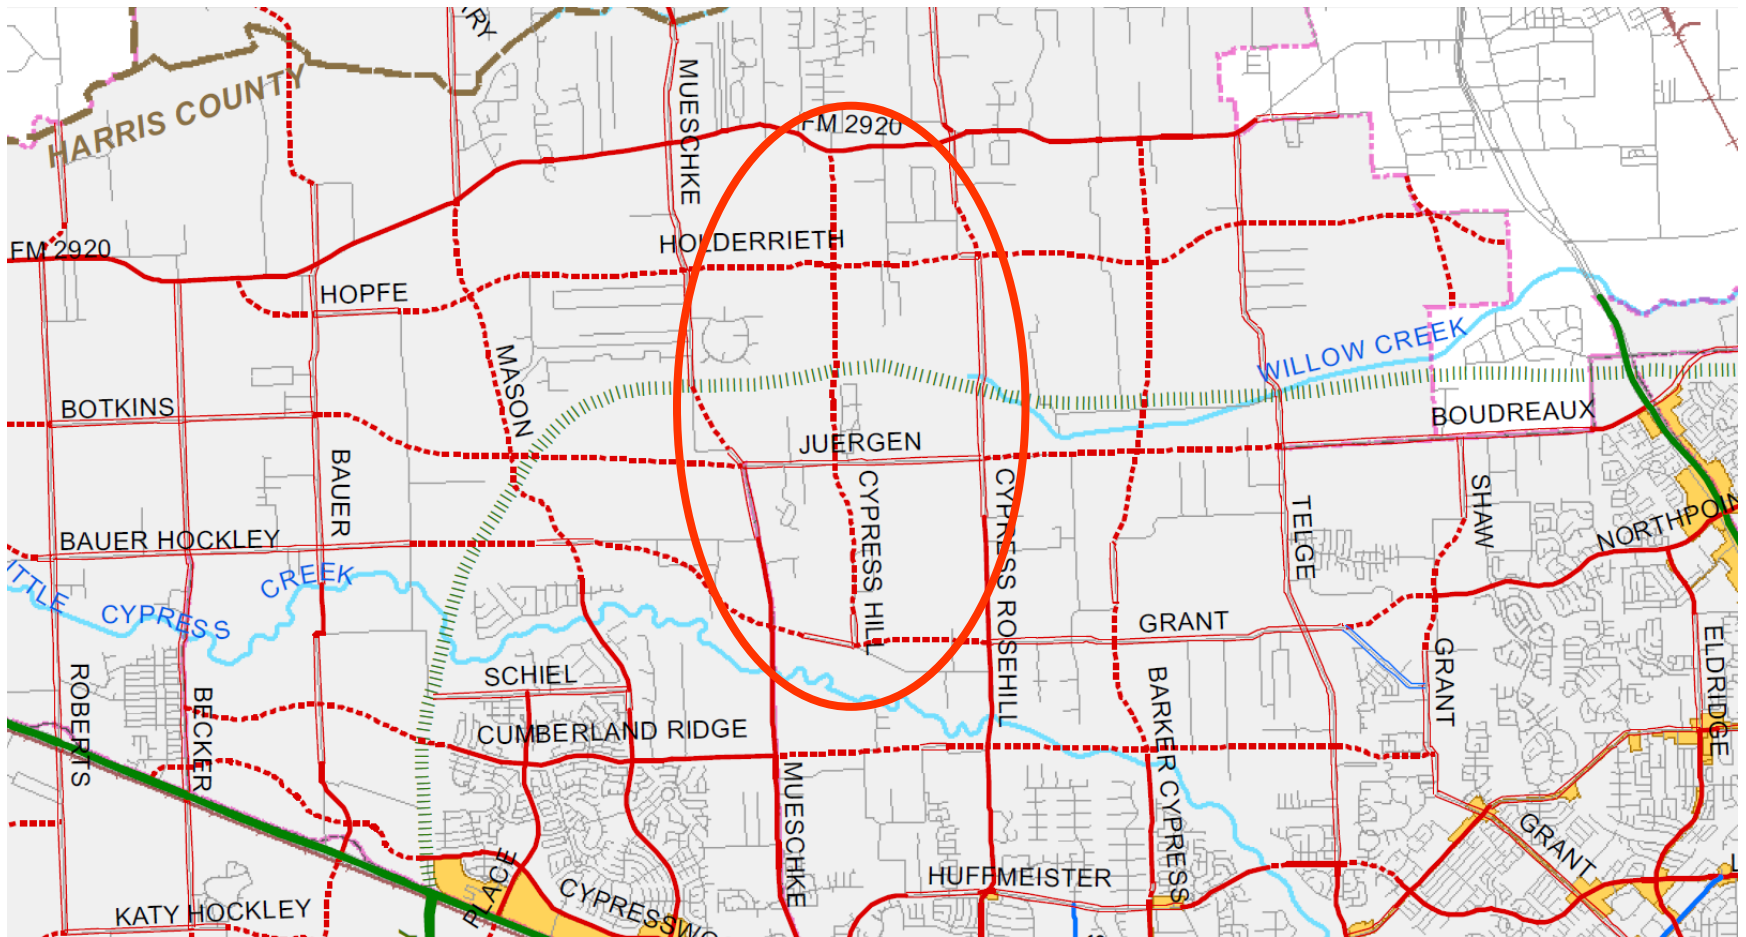

CYPRESS HILL

Harris County Public Infrastructure Department

LOCATION

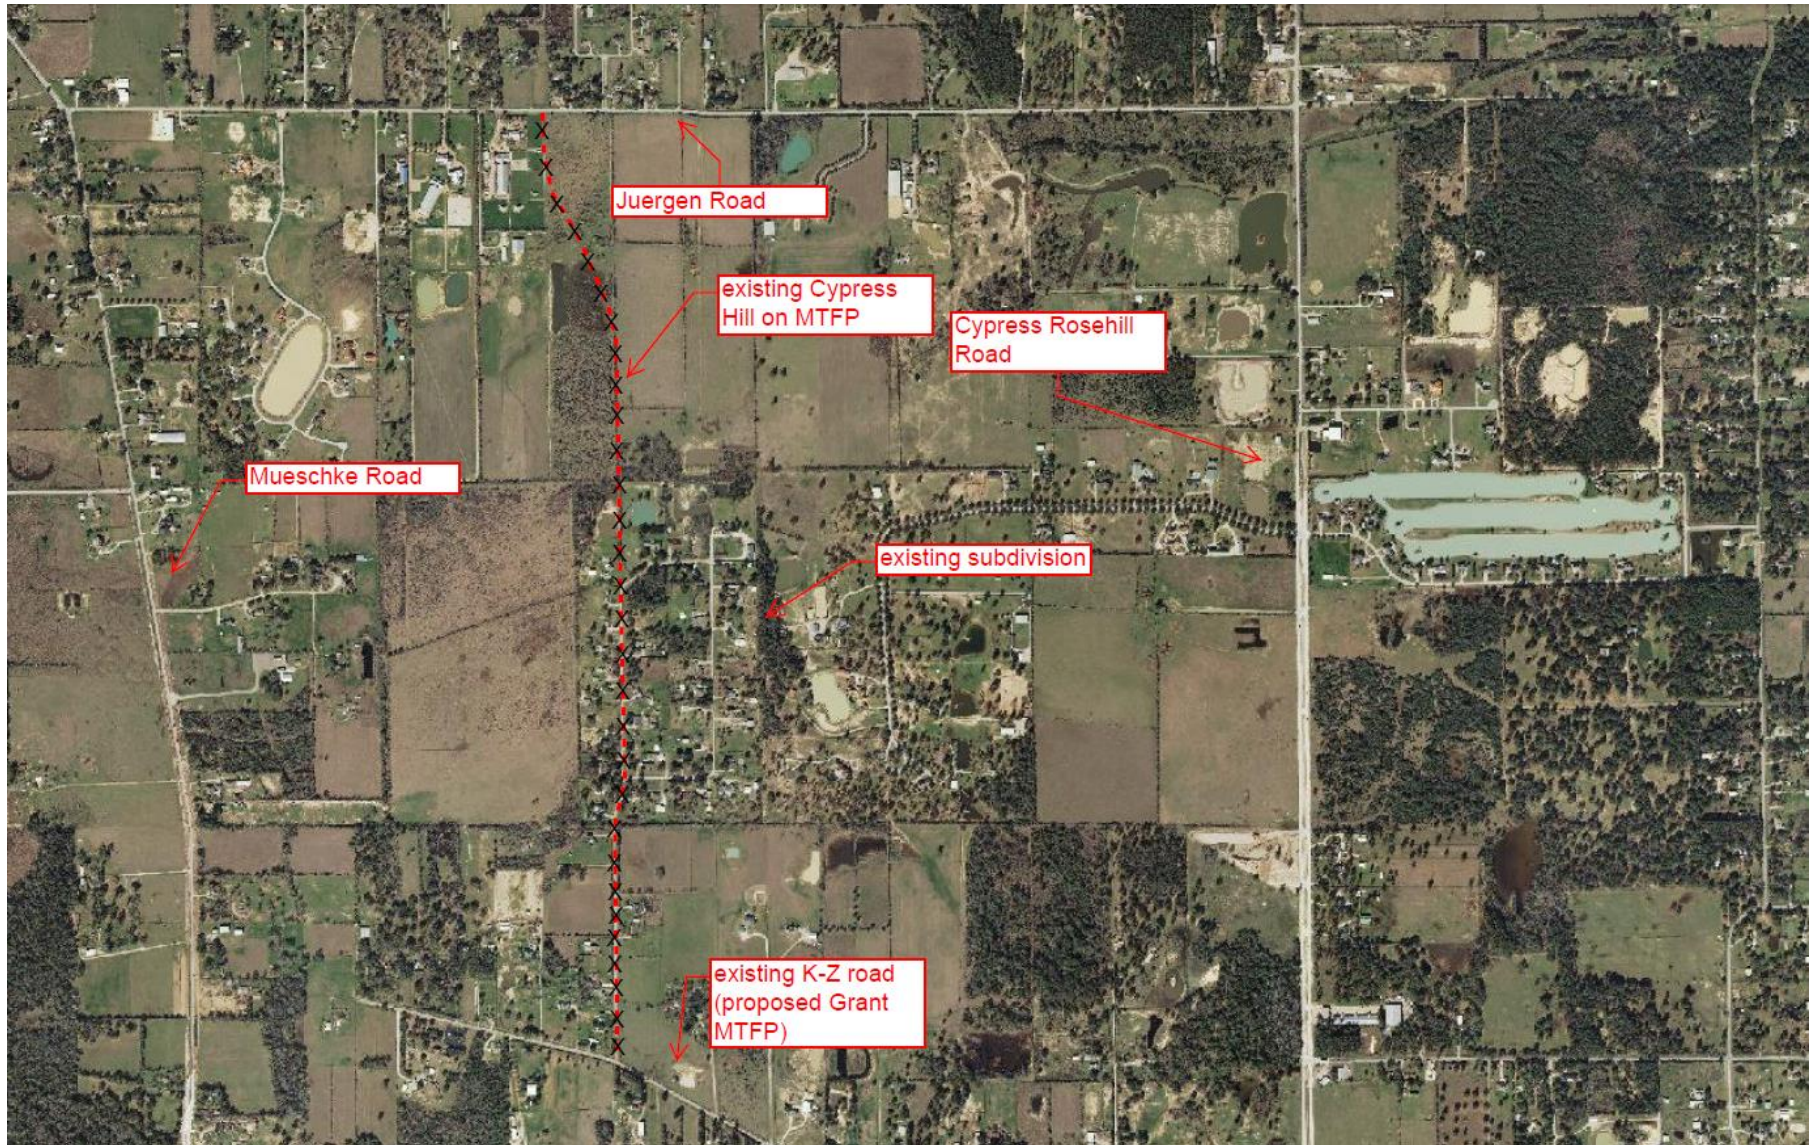

LOCATION

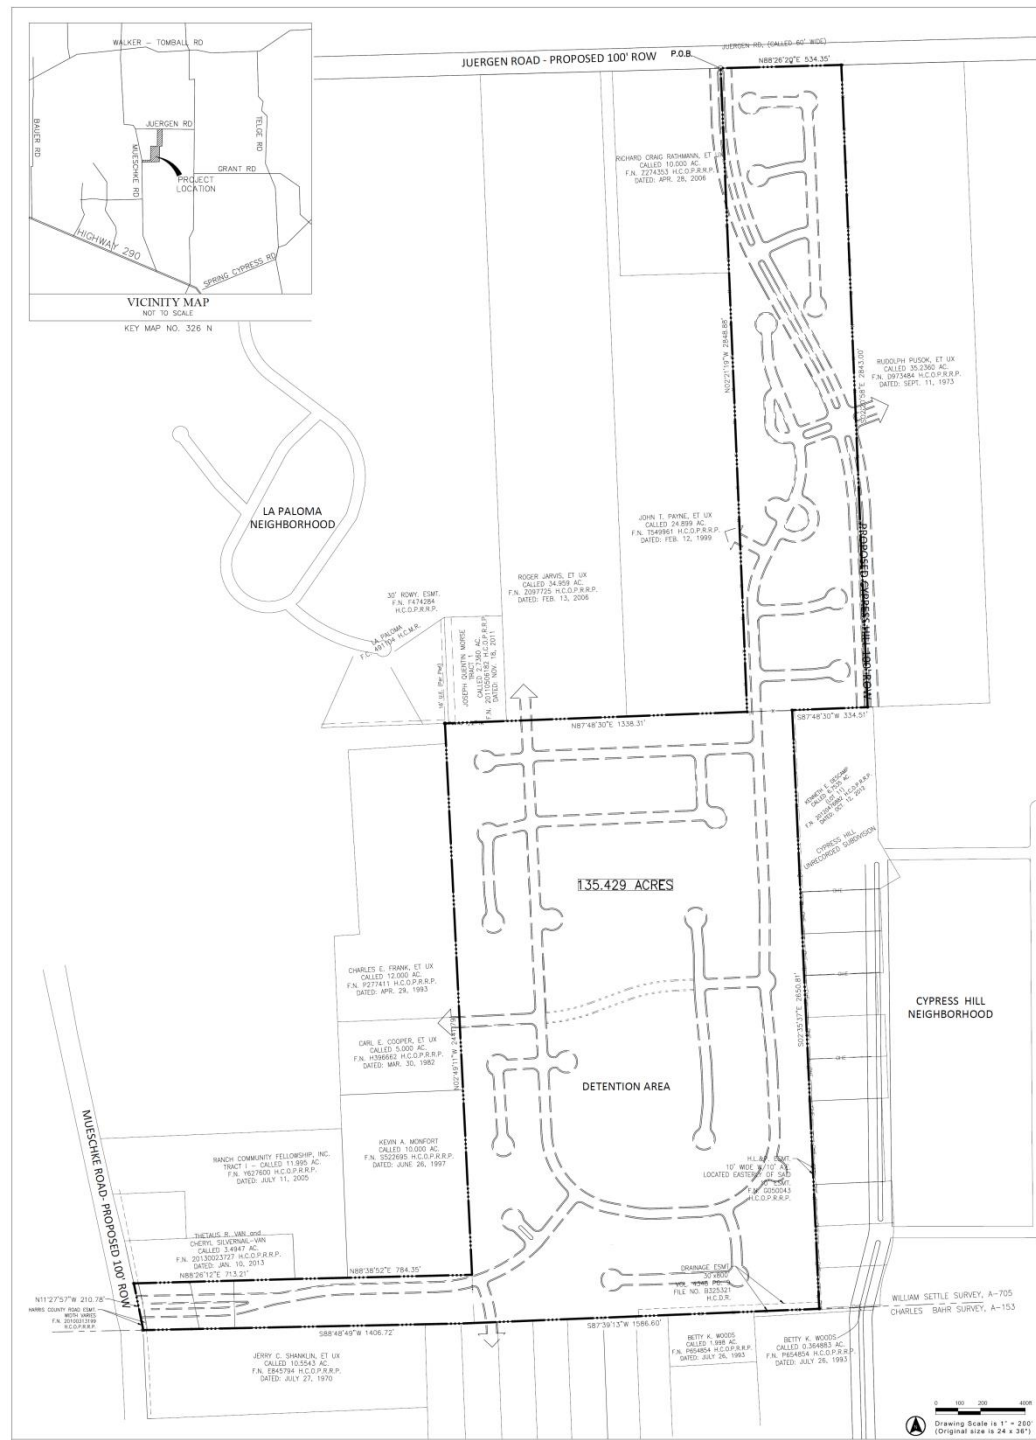

REQUEST

Delete Cypress Hill Road as a Major Thoroughfare from K-Z Road to Juergen Road

Cumberland Creek General Plan was approved on 10/31/2013 showing half alignment of Cypress Hill Road

JUSTIFICATION

Cypress Hill Road from K-Z Road to Juergen Road:

- This road is currently designated as a Major Thoroughfare

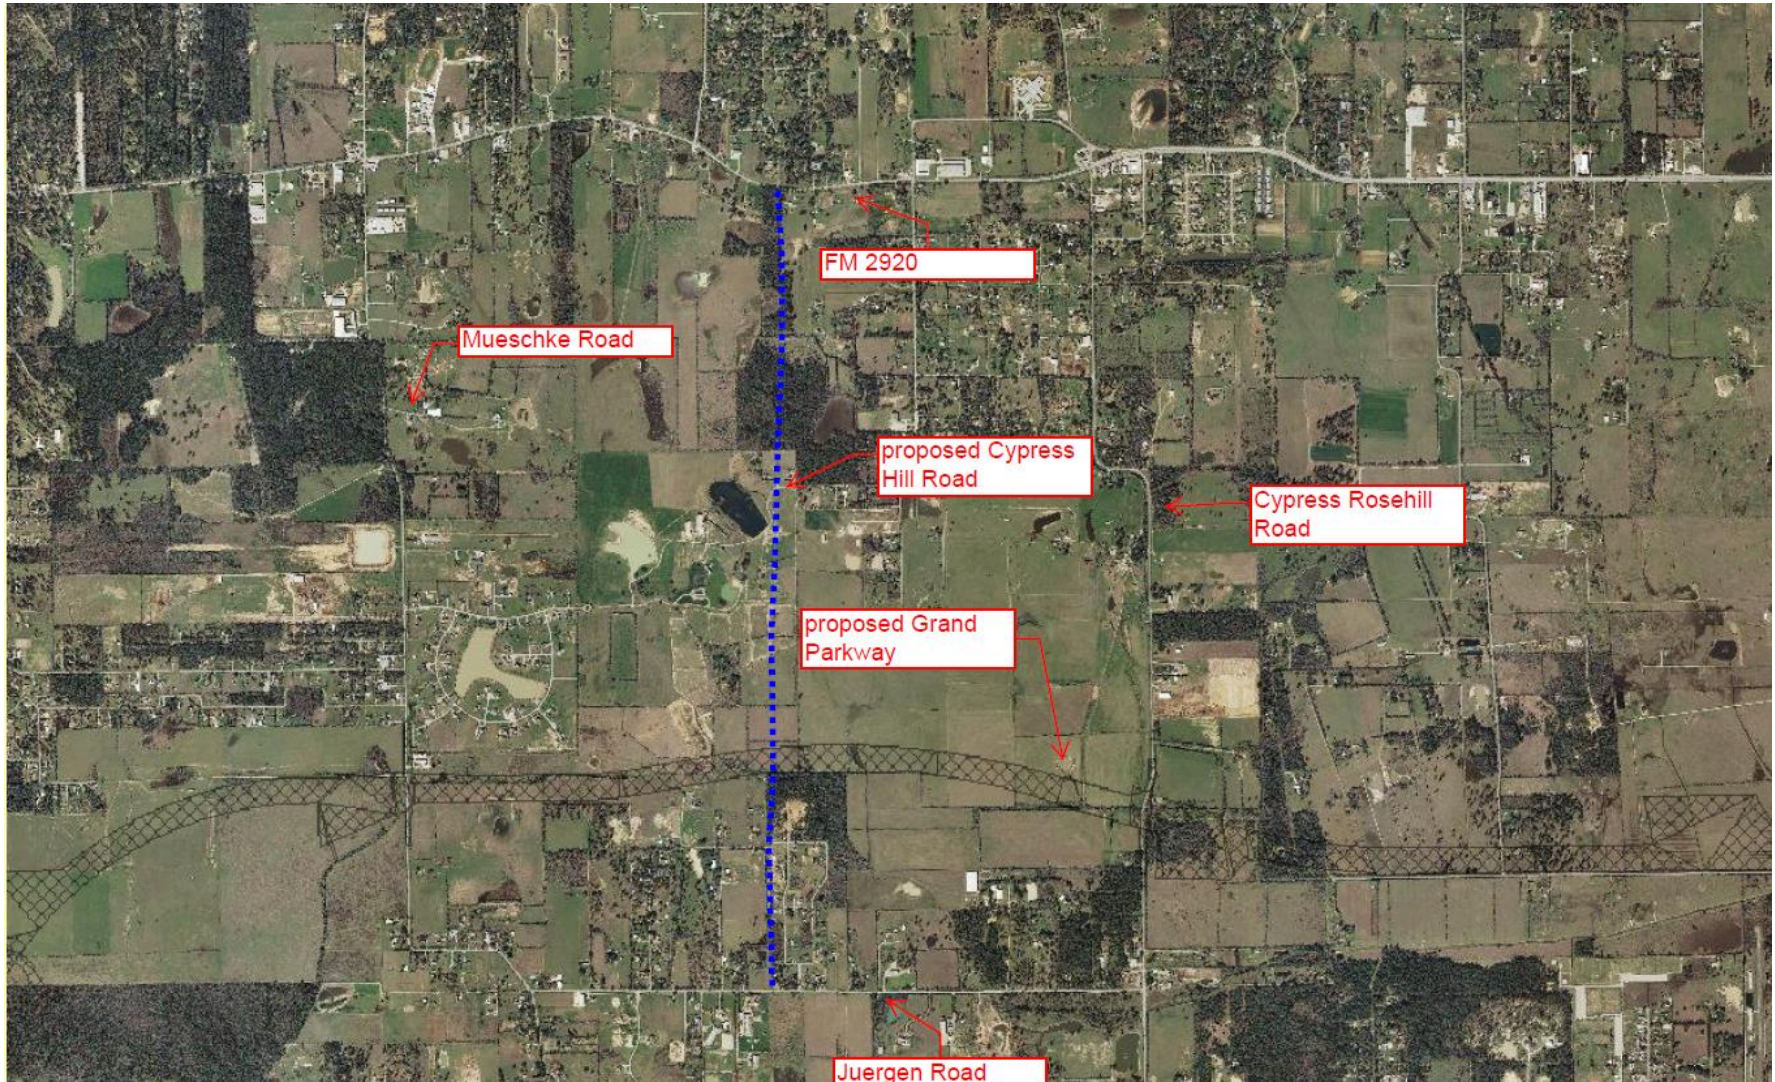

Cypress Hill Road from K-Z Road to Juergen Road:

- Propose to delete from the Major Thoroughfare & Freeway Plan

It is unlikely that thoroughfare will be built through private subdivision because existing owners would probably not dedicate ROW from their property. It is also unlikely that commercial developers will plat ROW dedication for Cypress Hill Road.

REQUEST

Reclassify Cypress Hill Road as a Major Collector from Juergen Road to FM 2920

JUSTIFICATION

Cypress Hill Road from Juergen Road to FM 2920:

- This road is currently designated as a Major Thoroughfare

Cypress Hill Road from Juergen Road to FM 2920:

- Propose to reclassify to a Major Collector

If Cypress Hill Road is deleted to the south, the 2.25 mile corridor of this road would not justify being a major thoroughfare. Also, this road would be a grade separated intersection with no access to the Grand Parkway.
